Wow- 23 Big Net!! At the beginning of the net, I requested a highly unscientific survey on who you're rooting for for Pope. Marty **KK4RF** wants a conservative Pope who sticks by the rules. Larry **W2LJ** & Dominick **NR2Z** are rooting for Cardinal Sarah. We all agreed, it's probably up to the Holy Spirit. In other news, Dominick reported on a terrific Easter Vigil with a great turnout. Sam **KB9UAG's** XYL had a bad fall in the nursing home and broke her pelvis. Sam asks for prayers. A few weeks ago, Rex **K2AM** told us a remarkable story about his granddaughter having a difficult pregnancy, for which he asked our prayers. So his new great-granddaughter arrived successfully only to hear that the baby had a heart problem. At five days old this child underwent a successful heart surgery and the prospects for her recovery are excellent! Keep those highly successful prayers coming!! Tony **K3ZA** has just returned from a trip to Georgia to see his daughter. Jim **W3BG** is also asking for prayers as both he and his XYL Maryellen have just come down with COVID. It doesn't appear to be too severe but

please keep them in mind. Ned **W2NED** said there was a beautiful Easter Mass in Rochester. Welcome to new check in, Deacon John **N4TII** who is a Byzantine Deacon in Atlanta. Dave **K3DVG** did a wonderful public service for us and ran down a Wall Street Journal Top 10 List of Papal Candidates.
