

SAINT MAXIMILIAN KOLBE NET AUGUST 30 2026 Log

40 METERS

Lloyd:

I'm tardy this week getting you the roster for last Sunday. Band conditions were very poor. There were 3 1/2 check-ins.

We had Bill, K3RMW along with Martin KK4RF.

Paul K7PJD called in on my cell phone and we used that method to get him on the air.

There was also a K1FR? mobile station that called in and I just could not get the last letter of his call even after multiple attempts.

Hopefully 40 meters will be more cooperative this week.

73,

Kevin, W3QD

Thanks to Kevin for substituting as Net Control!

Lloyd -:)
