-Many of the check ins spoke of a successful Triduum and higher than expected Baptisms and Confirmation during the Easter Vigil Mass. Paul **K7PGD** reported that **59** people were Baptised & Confirmed during a three-hour Mass! The Mass took three hours! Mark **VA3DFB** from Washago, ON found us by accident. He was very pleased with what he heard on the net! Hope you had a Blessed Easter!
