40 Meter Net

NR2Z - Dominic - NC
K3RMW - Bill - NC
W3QD - Kevin - PA
KC1WXS - Joe NH
K2MR - Ron- NY
KK4RF - Marty - VA
VA3BAS - Jim - ON
KE4VAM - Rambo - KY

Conditions were poor and over the short range were lousy but we did OK 300 Miles plus. Guess it was a "Long" night!   We had two new check-ins- ***Joe KC1WXS,*** a retired professor from NH and "Rambo" **KE4VAM** in Kentucky. Kevin **W3QD** sadly reported his local parish in PA/MD is closing because of the priest shortage. Conversely Dominic **NR2Z** reported that his diocese just ordained 10 priests and 12 deacons! Although small, we learned a lot from our net on Sunday.
