Nice Net this evening. We welcome Mike **WØFNS** of Shawnee, KS. Mike has already checked into the 20 Meter Net as well. We hope he checks in often! Kevin **W3QD** announced that his parish in Maryland has welcomed a community of Mt. Carmel sisters who will be teaching at his parochial school. Tom **W3TOM** reported that his K of C JFK Council is doing well. (Right. JFK like the President, who was a Knight) Ned **W2NED** reported that he attended a funeral for a friend who succumbed to ALS. Chris **K3DCR** says they've got an active OCIA operation going at his parish. **K3QNT** mentioned that a parish down the road has an interesting fund raiser. The make their own candy, chocolate and otherwise. They usually sell out! Ron **K2MR** reminded us of the DMR Net right after the 40 Meter Net TGIF Talk Group 3814. If you have any links or news, you want to add to these weekly LOGS, just send them to k3qnt@aol.com and we'll make sure they are included.
