K2RMW- Bill - Charlotte, NC

W3BG - Jim - Alliquippa, PA

KB3CAU - Mike - Hampton, VA

KB3H- John - Franklin, PA

K3DCR - Chris - Salisbury, MD

Ron **K2MR** - made his first foray into POTA. Had a good time with a portable rig and a vertical. Jim **W3BG** glad to hear his grandson's ship USS Abraham Lincoln (CVN-72) tied up at her homeport in San Diego after a very loooong deployment. Don **WB3CEH** reported his activity with the local St. Vincent DePaul Society. **W3QD** has returned to his position as a Lector at his new parish St. Mary's in Hagerstown, MD. Kevin told us about some unusual "Rain Static" discharges that he witnessed on the back of his antenna tuner. Jim **WA2MER**, after a long absence, made an appearance with his (new to him) but older Ten-Tec Paragon, driving a Collins 30L-1. Jim also reports he has a very active parish. Paul **K7PGD** checked in from Henderson, NV where it remains hot and dry! Chris **K3DCR** was at a local fair demonstrating Ham Radio. He said the positive response was surprising. And Joe - **KC1WXS**, a transplanted Eagles Fan, watched his hometown team lose.

DMR Net TGIF Talk Group 3814

From: ronrevell@comcast.net Oct 11, 2026, 7:00 PM

Tonight we had K3DCR-Chris, W3BG-Jim, W5GJT-Gene and myself K2MR on the St. Max Talk Group. Chris shared a home school program that might be of interest to others. It is Kolbe Academy.org. A Catholic home school program.

Gene from Texas asked for prayers for his wife Asha who has a cancer diagnosis. We individually prayed for her on the talk group.

Thanks for running the 40 meter net.

Blessings, 73 Ron.

Have a Great and Blessed Week!
