Ron - **K2MR** surprisingly was able to introduce not just one but two people to the faith this week! Don **WB3CEH** is quite active with the Vincent DePaul group in his parish. **K3RMW** discussed the power of the Rosary. Dave **KE8APO** spoke of recent conversions locally. Dominick **NR2Z** reported on a local Blue Mass for Cops and Veterans. Sadly, Marty- **KK4RF** announced the unexpected death of his older brother, Walt. He asked we say a prayer for the repose of his soul. Walt lived in Covington, KY, across the river from Cincinnati, OH.

Tonight we had Dave , KE8APO and Jim, W3BG and myself on 3814.

Dave reported on helping an XYL with serious health issues get her G5RV back on the air. Jim gave us an update on his Encounter School of Ministry class. Thanks for running the 40 meter net. I will attempt to attach photos of Saint Therese' message 73.
